

## EasyHub - Quick Start Guide in 3 steps

1. EasyHub unpack and connect to the NMEA 2000 bus.

**Important:** Disconnect power from the NMEA bus first!

2. Connect to the EasyHub Wi-Fi

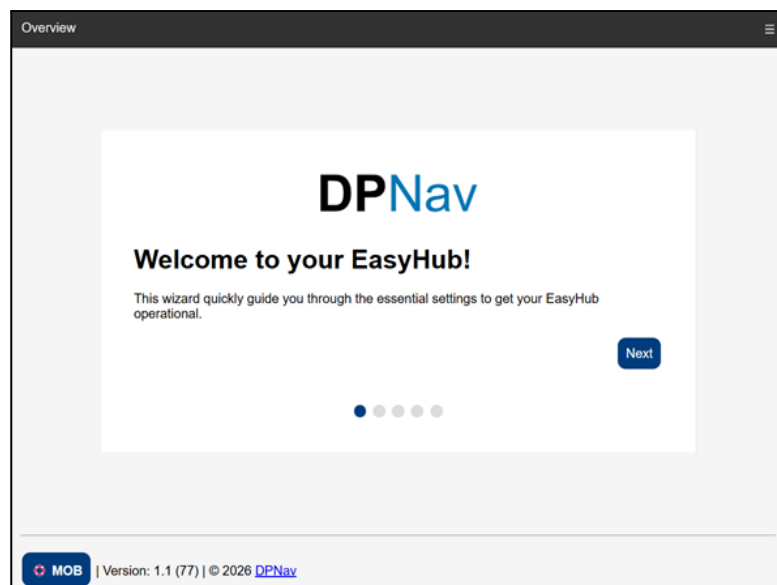

Wi-Fi Name (SSID): **BoatHub**  
Wi-Fi Password: **myboathub**

3. Open the browser on your smartphone, tablet, or laptop.

Enter in the address bar:

**http://boathub.local**  
or  
**http://10.42.0.1**

Follow the setup wizard, and your EasyHub will be ready for use in just a few steps.

**Note:** The settings can also be changed later via the admin login using the username “admin” and the password “boathub”.
